UCT COLLECTIVE INVESTMENT SCHEMES SHORT COURSE

WHAT IS THE COURSE ABOUT?

This course is an officially endorsed, non-credit bearing UCT short course exploring the front, middle and back office roles within the collective investment schemes (CIS) environment as well as the supporting industries. It also provides an integrated overview of how the industry fits together. This is an intensive course delivered over 5 days by industry practitioners, all subject matter experts, who share their knowledge and experience with delegates.

The course is best suited to members of investment administration, client servicing and compliance teams within investment management firms and CIS management companies. It also offers value for those working in related areas such as compliance, IT, auditing or within the financial regulator.
