# IFA INTERNSHIPS

## WHAT IS THE COURSE ABOUT AND WHO IS IT FOR?

The internship provides high potential, early career black individuals with the opportunity to be part of a structured programme combining theoretical knowledge, work-readiness input, ongoing mentoring and practical work experience in established high-performing Independent Financial Advisor (IFA) practices.

Specifically the ASISA Academy is seeking applications from:

1. UNIVERSITY GRADUATES seeking career opportunities in the financial planning industry, based in Johannesburg, Cape Town, Durban and Port Elizabeth.
2. ESTABLISHED IFA PRACTICES, based in Johannesburg, Cape Town, Durban and Port Elizabeth, who have the capacity and commitment to host and develop interns for an 18-month period.

## WHERE AND WHEN WILL IT BE OFFERED?

The internship will be offered in Johannesburg, Cape Town, Durban and Port Elizabeth commencing in the first quarter of 2019 with a 10-day work-readiness course during February 2019 followed by an 18-month workplace internship in an IFA practice.

## HOW IS THE PROGRAMME FUNDED?

This programme forms part of a broader IFA development programme being run by ASISA. A number of independent investment management firms are funding the full work-readiness component and 50% of the monthly stipends to be paid to the interns for the 18-month duration of their internship.
