FINANCIAL SERVICES INDUSTRY OVERVIEW BLITZCAMP

A QCTO-accredited learning provider

WHAT IS THE COURSE ABOUT?

An introduction to the financial services industry painting the big picture of how the industry fits together, describing the main role players, showing the flow of funds through the industry as well as the typical products offered by the various businesses.

This course provides an excellent foundational introduction for all people new to working in the financial services environment but particularly for investment management and life insurance staff. It also offers value for those working in related areas such as compliance, IT, auditing or within the financial regulator.
